How did you hear about me?		

I understand that payment is due at the time of the session. Accepted methods of payment are cash or check. If electronic payment is required, a \$5 convenience fee will be added. Rates are:

- \$100 for up to 1 hour spent with my dog and me in initial assessment and discussion with no written report
- \$175 for a recorded session, scored profile, and written CARAT report
- \$75/hour for Ann's time spent with me and my dog subsequently in training at her facility
- If Ann comes to me for further training, I will be charged \$1/minute for her travel time to and from her practice to my location

I understand that the results of the Clothier Animal Response Assessment Tool™ (CARAT™) indicate my dog's general personality traits as evidenced on the assessment day in this specific evaluation. I understand that my dog may behave differently under other conditions, including with other dogs and other animals. After the assessment, Ann will discuss with me her overall observations.

I indemnify and hold Human-Animal Solutions PLLC, Suzanne Clothier, Carpe Canem Inc., instructor(s), and assistant(s), harmless from and against all claims, losses, liabilities, and damage to persons or property, governmental charges or fines, and attorneys' fees arising out of the acts or omissions of CARAT assessments, dog training lessons, or behavior consultation including but not limited to interactions with instructor, assistants, students, or animals, or demonstrations involving my dog.
